He gave me the confidence to enter the test center with confidence and go out feeling like a champion later! So thank you all involved in Hurst Review Services! It is really an incredible program. I just passed my nclex yesterday at 75 questions and I could have done it without hurst!!!! I just finished my nclex Thursday 18 January 2018 after completing my review in Macon, GA with Anna Collado instructor. These models are designed to provide students with a plan to secure the confidence in answering difficult alternative questions and improve clinical judgment skills. HURST REVIEW is the most comprehensive preparation available. 10 days before the beginning of your review, we will automatically debit your remaining balance in the criterion card used for registration. Hurst all!!! Hurst has a learning teaching plan designed to meet the traditional, ESL or international student's needs preparing for NCLEX. They were much better than all the other software of practical questions that I had available for me from the nursing school and that I had bought it. I am so grateful that I used Hurst for my NCLEX review.
